# ISOM 201x

Revision of ISOM

- Content of ISOM 2000 has been transferred to
  www.iomaps.org
  based on WikiMedia
  → only open for MC members at the moment
  → Soon open for the "Reference Group"
  → Later open for federations (2nd call)
  → Final version open for everybody

- Case Study "CMYK-Printing of Orienteering Maps" completed and implemented into revision (financed by Swiss Orienteering Foundation on behalf of Swiss Orienteering)
