

THIRD SYMPOSIUM OF THE  
INTERNATIONAL SOCIETY FOR THE HISTORY OF THE MAP (ISHMAP)

## Encounters and Translations: Mapping and Writing the Waters of the World

Friday, 3<sup>rd</sup> and Saturday, 4<sup>th</sup> June 2016  
Auditório, National Library of Portugal, Lisbon

The symposium is open to all interested in the subject and will particularly give junior academics the opportunity to present their work in map history to the wider community. ISHMap is the first and only international academic society whose objectives are to advance the study of the history of maps in all societies and over all periods of time.

### Local Organizers

*Thomas Horst* (Trustee of ISHMap and Postdoc at the Interuniversity Centre for the History of Science and Technology [CIUHCT], University of Lisbon)
